

# Valentines Card

With you I feel so very fine.  
You are the sunshine of my life.  
Your eyes they are like stars so bright.  
If I had your number, every day I would call.  
When we talk, I can tell you all.  
Open you heart, you can tell me all.  
I am the greatest of your fans.  
We are more than just good friends.  
You are my little porcupine  
You make me feel so much alive.  
I'm totally crazy about you.  
I blieve in happy ends.
